FOREWORD

To plan and carry out the academic activities in a meaningful way, an academic calendar is utmost need for any academic Institution. It is my pleasure to present the academic Calendar for Higher Secondary course holders for the academic session 2017-18.

The +2 stage courses under AHSEC are imparted by Degree Colleges, Junior Colleges as well as Higher Secondary Schools in the State of Assam. While conducting Classes, the Colleges follow the holiday list and academic time schedule as specified by their respective Universities. The High Schools upgraded to Higher Secondary Schools follow the schedule as prescribed by SEBA. This creates confusion among the teachers and the students of Higher Secondary stage as regards the academic schedule and the actual teaching days required for the course.

Contemplating uniformity in the academic activities in the HS Schools and Colleges imparting HS Courses as well as with an endeavour to increase the number of teaching days, Council has proposed this Academic Calendar for the session 2017-18. It is expected that institutions imparting HS School Courses under the academic control of AHSEC will follow the activities as per this calendar in true sense of the term.

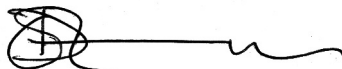

Giving emphasis on the need base curriculum, it is felt that ‘Road Safety’ and ‘Disaster Management’ are very needful for every citizen of the world. So these two chapters are included in the revised text book of Environmental Education in 2016 and it has been implemented since 2016-17 academic session under AHSEC. The book Environmental Education has been published in three versions– Assamese, English and Bengali.

AHSEC has also revised the text book of Assamese (MIL) for HS 2nd year i.e. ‘SAHITYA SOURAV’ and it is being implemented since 2016-17 onwards.

This year, AHSEC has revised the text book of Assamese (MIL) for H.S. 1st year, named by ‘SAHITYA SOURAV’ to upgrade the syllabus in recent time and it will be implemented from the academic session 2017-18.

It is hoped that the Heads of the institutions will follow the Academic Calendar to implement various academic activities following tests, examinations, special activities including ‘Observance Days’ etc. for better future.

The AHSEC acknowledge with thanks the suggestions put forwarded by various organisations, members of various philanthropic committee including persons of status.

Dr. Dayananda Borgohain (Ph.D)

Chairman,

GENERAL INSTRUCTIONS

The Department of Education, Government of Assam has developed a uniform Academic Calendar for Class XI to XII and has directed to implement the same in all Schools of Assam.

But the Junior Colleges and Degree Colleges of the State also impart the teaching of Higher Secondary Courses. Hence, there arose difficulties in curriculum transaction in time. Considering these difficulties the Assam Higher Secondary Education Council has prepared this Academic Calendar for 2017-2018 academic sessions. It is expected that the Institutions will follow this calendar towards improving the academic atmosphere in our state.

The new academic sessions of Higher Secondary School, Junior Colleges and Degree Colleges imparting H.S. Course will commence from 18th of April 2017 and continue till 31st March 2018.

1. The Head of the institution shall convene a meeting of the teaching staff conveniently to discuss and finalize the academic activities in the light of this Calendar. The meeting shall finalize the class routine as per model routine given with this Calendar.
2. The Head of the Institution shall constitute different Committee from amongst the teachers like
 - i) Examination Committee,
 - ii) Festival Celebration Committee,
 - iii) Students' Activities Committee,
 - iv) Parent Teacher Relation Committee,
 - v) Unit Test Committee,
 - vi) Co-curricular Activity Committee etc.These Committees will be responsible for smooth functioning of different programs of the Institutions.
3. Head of the Institutions shall ask the teacher to prepare subjectwise work schedule and discuss the syllabi contents amongst the teachers of respective subject.
4. The regular H.S. class shall begin from 9.15 A.M. onwards.
5. Full classes will be taken on all working days including Saturdays. Saturday shall not be treated as half working day.

6. The Head of the Institution should ensure and maintain the norms laid down in the Revised Regulation on Recognition of Higher Secondary Schools and Junior Colleges 2004.
7. The class routine as included in this Calendar shall be strictly followed in such a manner that the duration of period and total number of classes per subject are not reduced.
8. All the periods for Higher Secondary Classes will invariably be of not less than 45 minutes duration in all the institutions. It is to be maintained strictly.
9. Dates of Holidays may change if any order is issued by Govt. from time to time.
10. The Unit Tests shall be conducted as per schedule mentioned in the academic Calendar. The records of such tests be analyzed immediately after completion of each test and be taken necessary remedial measures for academic improvement of the students.
11. The AHSEC will issue necessary instructions from time to time regarding holding of H.S. Examination, submission of registration forms, examination forms etc. It is expected that the Head of the Institutions will take necessary steps for proper implementation of this Academic Calendar for achieving desired level of academic improvement of the students in general and institutions in particular.
12. At the beginning of the academic session it is imperative to discuss the syllabus and textbook for deriving the skills/competencies envisaged in the curriculum and syllabus.
13. The Academic Calendar must be followed by the concerned Institutions for maintaining healthy atmosphere. The defaulting Institutions shall be deal seriously as per rules of AHSEC.
14. Any suggestion for improvement of academic activities at +2 stage is highly solicited for designing future course of action.

SPECIFIC INSTRUCTIONS

There are some special and significant instructions to all concerned Schools / Jr Colleges / Degree Colleges who impart the Higher Secondary Courses to be implemented.

1. The syllabus of Environmental Education for H.S. 1st year has been changed and it has been implemented from the academic session 2016-17 onwards. The mark distribution and Grade formula for this subject are as follows–

Marks distribution (theory + project)	Grade formula out of total 50 marks (30 + 10)
Unit-I : Environment Education Marks 20	a. 07-15 Grade C
Unit-II : Disaster Management Marks 10	b. 16-29 Grade B
Unit-III : Road Safety Marks 10	c. 30 & above Grade A
Project works Marks 10	

2. In examinations (both 1st year and final), in no case the examinees shall be allowed to bring with them any Electronic Devices and Mobile Phones to the examination hall.
3. From this academic session 2017-18 onwards, there shall be no publication of Model Question Bank instead of only Model Questions shall be published. Questions papers shall be set from the syllabus and textbooks so that knowledgebase of the students improve.
4. PERCENTAGE OF ATTENDENCE :

Any student who has prosecuted a regular course of study either in the H.S. First Year class or in the second year class may be admitted to the H.S. First year Examination or to the H.S. Final Examination in the appropriate stream as a regular candidate provided he has attended 75% of the classes held in each subject. A candidate who fails to attend 75% of the classes on medical ground or for any other reasonable ground, may also be admitted to the H.S. First year Examination or H.S. Final Examination as the case may be, as an Institutional private candidate provided he/she has attended atleast 60% of the classes held in each subject. But such a candidate shall be required to pay the Institutional Private fee prescribed by the Council.
