## FOREWORD

The Higher Secondary (+2 stage) courses under AHSEC are imparted by Degree Colleges, Junior Colleges as well as Higher Secondary Schools in the State of Assam. While conducting Classes, the Colleges follow the holiday list and academic time schedule as specified by their respective Universities. The High Schools upgraded to Higher Secondary Schools follow the schedule as prescribed by SEBA. This creates confusion among the teachers and the students of Higher Secondary stage as regards the academic schedule and the actual teaching days required for the courses.

To bring uniformity in the academic activities in the HS Schools and Colleges imparting HS Courses as well as with an endeavour to increase the number of teaching days, the Council has proposed this Academic Calendar for the session 2016-2017. It is hoped that institutions imparting HS Courses under the academic control of AHSEC will follow the activities as per this calendar in its true spirit.

The AHSEC has completed upgrading of HS First Year Syllabus from the academic session 2015-16 which was published during 2015. The Model Question Bank has also been revised from the academic session 2015-16 and published accordingly.

From the academic session 2016-2017, the Council has revised the MIL (Assamese) text book "Sahitya Sourabh" for both HS 1<sup>st</sup> Year and 2<sup>nd</sup> Year and is being published. Likewise, the prescribed book for Environmental Education for HS 1<sup>st</sup> Year class has also been revised from the session 2016-17.

The Council acknowledges with thanks the suggestions put forwarded by various organisations and members of the Committee in planning the calendar. The Council is of the view that if this calendar is followed, the academic environment of the State will definitely move towards attaining its desired goal.

Date : 12.4.2016
